HSC 2019 - 86%
- Avichi School
SSLC 2021 -90.3%

About Me

I am a dedicated and self-motivated individual, always striving for excellence in everything I do. With a strong work ethic and a passion for continuous learning, I am confident in my ability to quickly adapt to new environments, acquire new skills, and make a positive impact as a valuable member of a team.

I am seeking an entry-level position in software development where I can contribute my knowledge and actively contribute to the success of a forward-thinking organization.

PROJECTS

Exam Registration site

- Mini project on html,css and javascript and firebase
- DuolingoExam registration as a theme and simply gave a dark mode option in the home page and authentication page and registration page which will be stored in the firebase.

DocCheck

- A web based software Build with prioritize algorithm, Botpress and web development kit.
- Developed an efficient Doctor availability and Scheduling with integrated Chat Bot.

Certificates

2022	Won 1st prize in Technical Quiz in College level Symposium
